

LAB 1 – PROJECT PLANNING

- **Purpose:**

- Choose a project topic for your group.
- Provide an overview of the project

- **Submission:**

Please submit your report, which contains an overview of the project (you can follow the guidelines below)

1. Choosing project topic

- Each group has no more than 3 students
- Each group chooses one topic. You can select one topic from the provided list or choose your own.

2. Provide an overview of the project

After choosing the project topic, an overview of the project should be defined to give a first sight. It should include the following basic information:

- The project's title
- A summary schedule, including the planned start and finish dates
- A summary of the project's budget
- A brief description of the project objectives, including the business need or other justification for authorizing the project

Example:

Project Name: <i>Name of the project</i>	
Sponsor: <i>Company Name</i> <i>Company Representative - Company Position</i> <i>Contact Information</i>	
Project Summary:	
Project Manager: <i>Name</i> <i>Contact Information</i>	Beneficiary: <i>Company Name</i> <i>Contact Information</i>

Objective: <i>Describe the desired results of a project</i>
Scope: <i>Define features and functions of a product, or the scope of work needed to finish a project.</i>
Time: <i>Start Date</i> <i>End date</i>
Budget: <i>Give a summary of project budget</i> <i>Hardware Resource:</i> <i>Software Resource:</i> <i>Human Resource:</i> <i>(Others)</i> ➔ <i>Total:</i>
